Basic Information

- Place of Origin: Japan
- Brand Name: Used Komatsu Excavator
- Model Number: PC450
- Minimum Order Quantity: 1 set
- Price: negotiable
- Packaging Details: Bulk or Container
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per year

Product Specification

- Working Weight: 45000kg
- Engine Power: 2570
- Model: PC450
- Travel Speed: 3.0/4.2/5.5Km/h
- Capacity: 2.1
- Fuel Tank: 650L
- Engine Model: SAA6D125E-5
- Gradeability: 70%
- Highlight: Hydraulic Second Hand Komatsu Excavator , 2570 Engine Power Komatsu Construction Excavator , PC450 Komatsu Construction Excavator

Product Description

2570 Engine Power Komatsu Construction Excavator PC450 for Demanding Applications

Product Description:

The Used Komatsu Excavator has a working weight of 45000kg, making it one of the heaviest and most powerful excavators in its class. This weight is distributed evenly to provide stability and balance, allowing the excavator to work safely and effectively even on uneven or slippery surfaces. With its impressive working weight, the Used Komatsu Excavator can handle heavy loads and tackle the toughest jobs

Our Product Intro

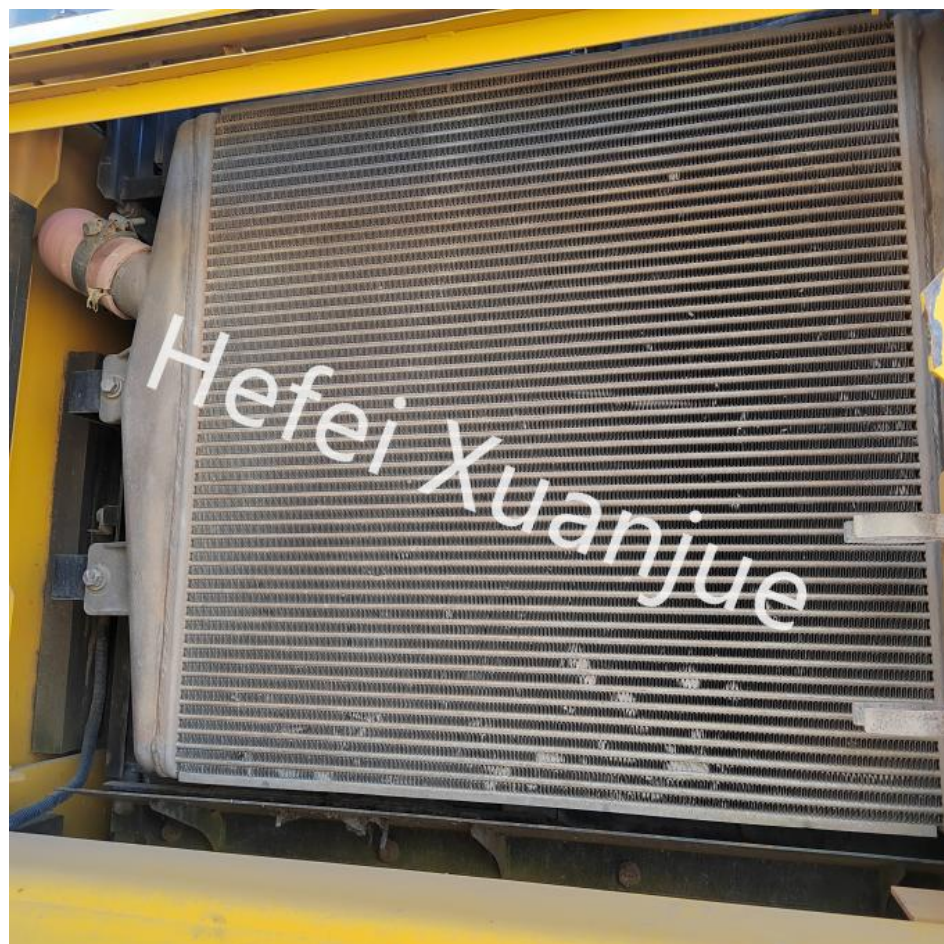

with ease.

In conclusion, the Used Komatsu Excavator is a top-quality, reliable, and efficient machine that is perfect for any construction, earth moving, or digging project. With its powerful engine, large fuel tank, and impressive working weight, this excavator is a valuable investment that can help you complete your projects quickly, efficiently, and safely. Choose the Used Komatsu Excavator for your next project and experience the superior performance and durability of a Komatsu digging, earth moving, and construction excavator.

Komatsu Heavy Equipment Excavator		Komatsu Hydraulic Excavator
Model		PC450
Capacity		2.1m3
Engine Model		SAA6D125E-5
Engine Power		2570 horsepower
Max Digging Depth		7790mm
Max Digging Height		10925mm
Gradeability		70%
Fuel Tank		650L
Working Weight		45000kg
Travel Speed		3.0/4.2/5.5Km/h

Applications:

Why Choose Komatsu PC450?

There are many reasons why the Komatsu PC450 is a top choice for many construction and mining companies:

Reliability: Komatsu is known for producing high-quality and reliable machinery, and the PC450 is no exception. It is designed to withstand the toughest working conditions and deliver consistent performance.

Efficiency: The PC450 is designed to maximize efficiency and productivity, with features such as advanced hydraulics, responsive controls, and a spacious and comfortable cab for the operator.

Durability: With its sturdy construction and high-quality materials, the PC450 is built to last and can withstand heavy use and extreme environments.

Cost-effective: Investing in a used Komatsu excavator like the PC450 can save companies a significant amount of money compared to buying a new one, without compromising on quality and performance.

Conclusion

In conclusion, the Used Komatsu Excavator PC450 is a top-performing and reliable piece of heavy equipment that can handle a wide range of construction, demolition, excavation, and mining projects. With its powerful engine, advanced features, and durable design, it is a valuable addition to any construction or mining company's fleet.
