Basic Information

- Place of Origin: China
- Brand Name: Sany
- Model Number: 335H
- Minimum Order Quantity: 1Sets
- Price: 50600-66000 USD
- Packaging Details: Container,Bulk
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: About 8 units are supplied every month

Product Specification

- Travel Speed: 5.4/3.2
- Bucket Capacity: 1.85
- Maximum Digging Radius: 7359
- Maximum Digging Height: 10497
- Excavator Engine Model: GH-6HK1
- Rated Power: 212/2000
- Maximum Digging Depth: 6851
- Machine Brand: SANY
- Highlight: Construction Digging Used Sany Excavator, SY335H Used Sany Excavator

SY335H In 2019 With 6851 Maximum Digging Depth Used Sany Excavator In Good Condition

Product Description:

The Used Sany Excavator boasts a maximum digging radius of 7359 mm, making it suitable for various digging and construction projects. With this impressive radius, the excavator can easily reach and excavate hard-to-reach areas, increasing productivity and efficiency. Equipped with a maximum digging height of 10497 mm, this second-hand Sany excavator can handle even the tallest of structures. Whether you need to demolish a building or dig deep trenches, this excavator has got you covered with its exceptional height capabilities.

The Used Sany Excavator is powered by a robust engine that delivers a rated power of 212/2000 kW/rpm. This means that the excavator can operate efficiently and effectively, even in the most demanding of conditions. With its powerful engine, you can trust this excavator to tackle any job with ease.

Technical Parameters:

Attributes	Values
Product Name	Used Sany Excavator
Product Type	Mini Excavator
Travel Mode	Crawler
Maximum Digging Radius	7359 mm
Maximum Digging Depth	6851 mm
Maximum Digging Height	10497 mm
Operating Weight	32500 kg
Fuel Tank	540 L
Machine Brand	SANY
Rated Power	212 hp/2000 rpm
Bucket Capacity	1.85 m³
Excavator Engine Model	GH-6HK1
Suitable For	Pre-Owned Sany Excavator, Second-Hand Sany Excavator

Applications:

As a leading brand in the construction equipment industry, Sany Excavation Machinery has always been committed to providing top-quality products to its customers. Among its wide range of excavators, the Sany 335H stands out as a

popular and highly recommended choice for various excavation projects.

The Sany 335H is built to last. It is made with high-quality materials and advanced technology, ensuring its durability and reliability even in the toughest working conditions. Its fuel tank has a capacity of 540 liters, providing enough fuel for uninterrupted use. This means you can count on this excavator to get the job done without any interruptions or breakdowns.

Moreover, the Sany 335H has a rated power of 212/2000, which means it has a high power-to-weight ratio. This allows it to work efficiently without putting too much strain on the engine, reducing the risk of wear and tear. This also translates to cost savings in the long run as you won't have to spend as much on maintenance and repairs.

The Sany 335H is suitable for a wide range of applications, making it a versatile and valuable addition to your construction equipment fleet. It can be used for digging, trenching, loading, and lifting, making it an all-in-one solution for your excavation needs. Its compact size also makes it ideal for working in tight and confined spaces, such as urban areas and building sites.

Packing and Shipping:

Packing and Shipping for Used Sany Excavator

Before shipping the used Sany excavator, we take great care in packaging it to ensure its safety and protection during transportation. Our packaging process includes the following steps:

Thorough cleaning of the excavator to remove any dirt or debris

Draining of all fluids and disconnection of the battery

Inspection of all parts and components for any damage

Securely fastening all movable parts and accessories

Wrapping the excavator in protective materials, such as bubble wrap or foam

Placing the excavator in a sturdy wooden crate

Sealing and labeling the crate with all necessary shipping information

Once the packaging process is complete, the used Sany excavator is ready for shipping. We offer various shipping options to meet the needs of our customers, including:

Ground transportation for domestic shipments

Air freight for international shipments

Ocean freight for larger shipments

We work with trusted and reliable shipping companies to ensure timely and safe delivery of the excavator. Our team will also provide all necessary documentation and assistance with customs clearance for international shipments.

At Used Sany Excavator, we take every precaution to ensure that our excavators arrive at their destination in excellent condition. Contact us for more information on our packaging and shipping process.
